

Founding Pilot Intake

Federal connector in validation · Iowa is the only enabled state source

Use this form to establish the capability profile and pursuit rules for a proposed Pursivio founding pilot. Returning it helps us assess fit and scope; it is not a commitment to buy.

Important Note

Pursivio is a research and triage service. It does not determine eligibility, guarantee awards, sign contracts, price proposals, or submit bids. The customer must verify every requirement and deadline with the issuing agency.
